Promotion policy for all services of IIJ Managed Cloud

IIJ Managed Cloud service	*A managed service that monitors and operates AWS for the Vietnamese market, launched in 2024. This service is operated by IIJ (AWS Advanced Tier Partner) and Severworks (AWS Premier Tier Service Partner), delivering a quality, fast, reliable product of Japanese standard from consulting, integration, deployment, and management to all businesses using AWS or starting an AWS journey.*
Cloud Automator	*Automation for AWS operation and usage control. Cloud Automator allows users to automate AWS operations, such as back-up, Instance Start/Stop, etc., and makes operations easier.* *Developed by Severworks.*

1. Trial Conditions	
	A free trial is available for new AWS users of ***IIJ Managed Cloud*** who have not previously used any services. The trial only applies to Cloud Automator (Automation for AWS operation and usage control). It is valued at $1480 USD. Customers can access the full function of Cloud Automater used in the customer's AWS environment. (No need to be a customer of IIJ Managed Cloud.)
	Applicable only to customers who provide full business information and a business email domain.
	Applicable only to businesses that have not used IIJ Managed Cloud services before.
	It cannot be combined with other trial programs of IIJ Managed Cloud service
2. Trial Period	
	The trial period lasts for ***30 days*** from the time users receive the activation mail. The trial will automatically expire after 30 days, and users can convert the trial to paid services or contract IIJ

	Managed Cloud service for AWS instead. **If a customer contracts IIJ Managed Cloud service, they can continue to use FREE Cloud Automator within the scope of IIJ Managed Cloud service.**
	Some notes when registering for the promotion:
	An email with the activation link will be sent to you after completing the registration process.
	The promotion program lasts until **December 31, 2024**.
	In case of dispute, the final decision of IIJ Global Solutions Vietnam shall prevail.

3. How to Activate

	To activate the trial, users need to complete the registration form and agree to the terms and conditions of the free trial. An activation link will be sent to users via email, and users must click on the link to start the trial.

4. Limitations on Product Usage

	During the trial period, users can access **Cloud Automator services** valued at ***$1480***
	Applicable trial product details:
	Cloud Automator: Cloud Automator allows users to automate AWS operations, such as back-up, Instance Start/Stop, etc., and makes operations easier than ever.
	Not applicable for: HI GIO Cloud.

5. Regulations for Trial Activation

	Customers will register using the form provided by IIJ GS Vietnam. We will receive the information and directly advise and support customers in building configurations according to their actual needs.
	Customers must not use the service for illegal purposes, activities related to cryptocurrency, install bots, or attack other systems.
	If any violation or fraud is detected, the user will no longer be eligible to participate in the program.

6. Payment

	After the trial period, users will enjoy free use of Cloud Automator if they decide to continue using the IIJ Managed Cloud service. If users cancel their accounts before the end of the promotion period, no charges will be incurred.
	After the trial period, If users decide to use Cloud Automator Tool only, customers shall pay ***USD $1480*** per month (Enterprise-level Support).

7. Termination	
	IIJ GS Vietnam reserves the right to terminate the trial at its discretion and without prior notice. If the terms and conditions are violated, the user may be liable for charges incurred beyond the allocated ***VND 30,000,000*** resource usage.
8. Support	
	During the trial period, users can access IIJ GS Vietnam's customer support team for assistance with any issues or questions.
